The Wedding Class L.L.C.

The wedding and honeymoon industries now have the opportunity to advertise a remarkable on-line wedding education program, "The Wedding Class" to brides and grooms through their websites that will:

- Generate income from classes that are sold through the SuperStarWedding Affiliate Program.
- Equip brides and grooms with effective management tools for their wedding day
- Lower bridal stress and elevate the joyfulness of the wedding day
- Advertise their businesses to the engaged couples through referrals of this innovative series of wedding classes
- Provide a link back to the advertiser's website with resultant leads

Should the engaged couple decide to sign up for the brides or grooms series of classes after taking the initial free class, then the advertiser earns 25% of the class fee in addition to any product sales made within the advertisers SuperStarWedding.com affiliate website.

Businesses may participate in this program by registering to become an affiliate of SuperStarWedding.com and placing a tile or link within their website and encourage brides to take the free class by signing up at SuperStarWedding.com

An added incentive to participation in this program:

WeddingLinks.com, (a J.R. Publications, Inc. web portal) in combination with SuperStarWedding.com will provide a link back program whereby the normal linking price of \$480 for 12 links is reduced to \$100 per year and includes area permission based leads sent weekly by e-mail. Advertisers become a link back partner with WeddingLinks.com by placing a small WeddingLinks.com Partner tile on their website. Increased links within your website gain higher search engine visibility for your site. WeddingLinks.com is a highly ranked wedding planning web portal.

By combining the wedding education packages and SuperStarWedding products from your affiliate income along with direct category links to bring you business, plus becoming an link back partner on WeddingLinks, you address several opportunities that allow your website to become more financially viable.

This program is open to wedding, travel and event, individual businesses, membership associations, regional web sites/portals and category specific web sites/portals.
